THE PROGRAM

With all that has been in the news about the Port of Portland's Terminal-6 and the exodus of Hanjin Shipping and Hapag Lloyd, we have already heard viewpoints of ICTSI Oregon and the Port of Portland. But what is the perspective of our local International Longshore Workers Union (ILWU) members? Now is your chance to hear from them directly.

Mike Stanton, President of Local 8, and **Dane Jones**, Secretary-Treasurer/Business Agent for Local 40 - which represents workers and clerks - will be addressing the CRCBFA audience with their perspectives of the situation at the Port and their outlook going forward. If Port of Portland's T-6 will ever be viable to container traffic again, the ILWU will play an important role in bringing it back. What is the ILWU doing to bring life back to T-6? How is the ILWU working with ICTSI of Oregon and the Port of Portland? What can we do as a shipping community to support this effort?

Come join us for this discussion vital to the health of trade in Oregon.
